### DIRECTOR:

At PGA Junior Golf Camps, we make memories that last a lifetime.

From tee to green, we instruct on every aspect of the game including full swing, short game, rules, and etiquette.

Each camp is led by a certified PGA Professional who will teach your child skills to succeed on and off the course.

No matter your child's age or ability, we have a program that will suit their needs and skill level. PGA Camps are the perfect balance of learning, and of course, FUN!
